<b>Soft drinks</b>	
Coke, Ginger ale, Soda , Grapefruit	7
<b>Water</b>	
Ferrarelle Sparkling, Evian Still	10

# 10 TIPS TO SURVIVE AWKWARD CONVERSATIONS

## EYE CONTACT

Come on, you can do it! but if you're feeling nervous, just stare at their forehead. It's the most non-threatening part of the face.

## GIVE COMPLIMENTS

"You're a feast for the eyes, just like the sushi roll on the menu."

## ASK QUESTIONS

Make it quirky. "If you could have any superpower, but it had to be useless, what would it be?"

## SHOW OFF YOUR MEME COLLECTION

... and if they don't laugh, it's not a match. It's science, folks.

## WHAT'S YOUR JAM

Ask them what's their go-to karaoke song, and be prepared for the unexpected. "Baby Shark" could be their jam.

## KEEP SMILING

Even if you spill your drink, it's called being charmingly clumsy.

## JOKES

Google some dad jokes, who laughs first... drinks! Water is not a drink.

## GET PERSONAL

Tell them an embarrassing story about yourself. It's like ripping off a band-aid, but funnier.

## GUESSING GAME

Guess their favorite alcoholic drink. It's a great way to find out if they're a connoisseur or a casual drinker.

## KEEP LAUGHING

Even if their jokes are terrible, laugh anyway. Fake it 'til you make it!

IF ALL ELSE FAILS... ORDER A SAKE BOMB BINGO!
